Career Objective

Data Science, Machine Learning & Artificial Intelligence professional, Team Oriented Individual with excellent communication skills.

Academic Background

Year(s)	Qualification – Degree	Board/University	Percentage / CGPA
2018-2022	B. Tech in Computer Science Engineering Specialization in Artificial Intelligence and Machine Learning	University of Petroleum and Energy Studies	7.68/10 (*Till end of VIth semester)
2017	XII CBSE		92.8%
2015	X CBSE		9.6/10

Internships and Trainings

Company:	Celebal Technologies
Project Title:	**Modeling ICU Occupancy**
Job Description	Predicting the availability of ICU beds for a patient on the basis of their health condition.
Duration:	June 2021- August 2021

Saurav Verma

Honesty is my forte
Optimistic, Enthusiastic, Smart worker

Projects Undertaken (Academics)

Company: Minor Project
Project Title: Linear Regression using Gradient Descent
Description: Predicting whether the Corona positive patient will survive or not on the basis of their age group.

Duration: August, 2020 – December, 2020

Company: Minor Project
Project Title: Machine Learning using OOPs concepts
Description: Building machine learning algorithms from scratch and implementing OOPs concepts
Duration: January, 2021 - May, 2021

Company: Major Project
Project Title: Neural Machine Translation
Description: We built a NMT model using LSTM. The main goal was to understand the working of LSTM units and to translate Hindi language to English.
Duration: August, 2021 - December, 2021

Company: Major Project
Project Title: Mushroom Classification Research Paper
Description: We created a research paper using 14 different classification algorithms using WEKA. Their accuracy and time taken was compared and the best model for classification was selected.
Duration: January, 2022 - May, 2022

Online Certifications

- Successfully completed online certification in **IBM Data Science Specialization** in Feb 2021 through Coursera.
- Successfully accomplished online certification in **IBM AI Foundation for Business** in Feb 2021 through Coursera.

Co-Curricular Activities/Achievements

✔ Participated in the Intra Football Tournament in University and led my own Team.
✔ Good at playing Guitar and has profound skills in sketching.

Skills

✔ Coding Languages:

Python, C++, Tableau, SQL, DBMS

✔ Soft skills:

Multilingual (English, Hindi, French(intermediate)), Adaptive, Teamwork, Interpersonal Skills

I hereby declare that the information stated above is true to the best of my knowledge.

Name of the Student: **Saurav Verma**
